

"I so enjoyed the whole process and appreciated the time and personal attention I was given [by Bonnie]. I feel blessed and confirmed. It is so good to have a clearer focus and understanding of my spiritual gifts and how best to be used by God to further His Kingdom."

## one

*Discovery* provides an opportunity to assess where you are on your faith journey as you take a Christian Life Profile survey. Sample questions from the survey:

- I exist to know, love and serve God.
- I believe that pain and suffering can often bring me closer to God.
- I rejoice when good things happen to other people.

## two

*Discovery* provides a way to uncover how God has gifted you with a Spiritual Gifts Inventory. This in turn will energize you to live out His specific design for you. Sample questions from the inventory:

- I place great importance (value) on education.
- I enjoy working with my hands.
- I desire to give direction (guidance, instruction) to those under my care.

*Discovery* gives opportunities to learn ways to connect with others at Calvary.

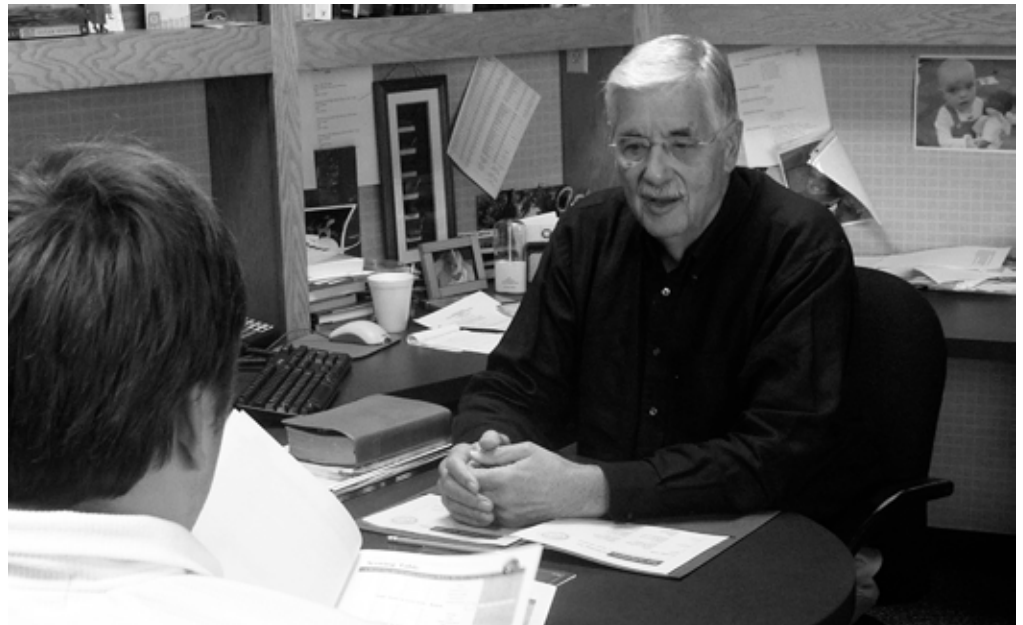

## three

After you complete your surveys on your own, you schedule an appointment with either Bill Crooks or Bonnie Morrill to review them. Bill and Bonnie are trained facilitators and have met with many individuals over the past several years.

Whether you are a mature believer or a new believer, *Discovery* is for you. Please contact Judie Fielstra ([jfielstra@cc.mi.org](mailto:jfielstra@cc.mi.org)) at ext. 5095 to make a *Discovery* today.

"Bill was amazing! It was a relaxing atmosphere whereby I could assess where I was spiritually, and build on that. It was great!"

"I've been a believer for years and yet I was able to learn new things about myself."

The excitement of *Discovery* is uncovering unknown gifts and treasures. It brings anticipation and greater pleasure to your journey with God and it will impact three unique areas of your life.
